

Rush Creek Golf Academy Junior Golf Participation Guidelines

INCLEMENT WEATHER

We will have to cancel classes if weather makes outdoor learning opportunities impossible. We will do our best to keep classes outside, but if weather makes outside playing conditions too harsh, you will receive an email and be required to pick up your child, as our facility is not large enough to house all the kids.

LEAGUE PLAY on The Mac Nine will be cancelled ahead of time if there is inclement weather. If a storm moves into the area during league play, juniors will be moved to the lower level of the clubhouse for safety purposes. At this time, you may pick up your child at the central entrance of the main clubhouse. A complimentary pass to the Mac 9 will be issued and the junior golfer can use that pass at a future date. Passes will be given out by the Academy staff at the next lesson league.

DRESS CODE / EQUIPMENT

We recommend junior golfers have their own set of golf clubs, however for children ages 5-7 that do not have clubs, we will provide a limited number of individual clubs available for use during class time.

If you have questions on purchasing a set, please ask our staff as they can help fit your child accordingly. We recommend the US Kids system and offer all students 25% off on purchases in stock or special orders. For a size chart, go to <http://www.uskidsgolf.com/store.cfm>.

Golfers are encouraged to wear appropriate golf attire, with no denim and tennis or golf shoes.

PICK UP / DROP OFF

Please look at your class information and be aware of where your child should register on the first day. If your child has a CLASS, he/she should be dropped off at the Academy building which is located to the left as you pull into our main entrance. If your child has LEAGUE PLAY, he/she should be dropped off at The Mac Nine par three course which is located on the north end of our parking lot. There will be staff at both locations checking in golfers on the first day of class. We encourage juniors and their parents to come and meet our staff members at this time.

Thanks for your participation! We are looking forward to a great summer and appreciate any feedback you have about our programs.
